UNIVERSAL BLUETOOTH® FLIP HEADSET

*The best Bluetooth headset for background noise cancellation.\**

[motorola.ca/H15](http://motorola.ca/H15)

**HELLOMOTO™**

SCREAMING FANS

Conversation Stoppers are all around us, waiting for their opportunity to strike. Fight back with the **MOTOPURE™ H15**, the best headset for background noise cancellation.\* The flip microphone design makes it easy to use – just open to talk and close to save the battery life. So next time you encounter #23 The Screaming Fans, you won't be forced off your call. You'll be ready.

### SILENCE THE NOISE

**MOTOPURE™ H15** is the best Bluetooth® headset for background noise cancellation.\* Enjoy exceptional sound quality on both ends of the conversation with **CrystalTalk™** for headsets.

### QUICK & SIMPLE

Just flip open the microphone to talk and close it to save the battery life. The fast-charging **MOTOPURE H15** converts fifteen minutes of charging into over one hour of talk time.

### DOUBLE UP

Simplify your busy life and accept calls from your personal or business phone. With the **MOTOPURE H15** you can connect with two compatible *Bluetooth*-enabled phones simultaneously. No need to reconnect.

### SUPREME COMFORT

You'll hardly realize you're wearing a headset. **TrueComfort™** design features multiple ear cushions, a molded speaker and a discreet flexible ear hook for a superb personal fit that holds the headset securely in place.
