

FLIPPING BRILLIANT.

MOTOROLA **H17**
WITH **RAPIDCONNECT™**

ANSWER EVERY CALL WITH CONFIDENCE.

RapidConnect™

Lets you flip open to turn on and talk, flip closed to turn off and save power. So you can answer every call with confidence.

Feels Good

Made with ultra lightweight materials, 3 ear hooks and 2 cushions, the customizable on-ear and in-ear wearing styles offer all-day comfort however you like it best.

Smaller is Better

Enjoy the speed and comfort of the smallest, lightest flip switch headset from Motorola. Its unique style and size make it comfortable to wear, and extremely easy to open and close.

MOTOROLA H17 WITH RAPIDCONNECT™

Flip into something better with the Motorola H17 Bluetooth® Headset – designed specifically for people who are on the go. It flips open to turn on for calls, and flips closed to turn off and save power, so you can always connect to your calls quickly and confidently. Lightweight construction delivers all-day comfort, and its customizable on-ear and in-ear wearing styles let you wear it however you like it best.

Flipping Brilliant

The unique, RapidConnect™ feature lets you handle calls with a simple flip. Flip open to answer, flip closed to disconnect, flip out about how easy it is.

Feels Good

Made with ultra lightweight materials, the headset offers all-day comfort. And with 3 ear hooks, 2 cushions and on-ear or in-ear wearing styles, you can choose the fit you like best.

Smaller is Better

Enjoy the speed and comfort of the smallest, lightest flip switch headset from Motorola. Its unique style and size make it comfortable to wear, and extremely easy to open and close.

Working Overtime

Sophisticated MultiPoint Technology lets you receive calls from 2 Bluetooth-enabled devices at the same time. Put one call on hold to answer another, then switch back when you're ready. Plus, easy-to-follow Voice Prompts tell you how to set up your headset, whether mute is on and how much power is left in your battery.

Hear This

Cancel background noise with dual microphone technology for clearer communication on both sides of the call.

Weight: 9 grams

Talk Time: Up to 5 hrs**

Standby Time: Up to 7 days

Dimensions: 42 x 17 x 10 mm

All features, functionality and other product specifications are subject to change without notice or obligation.

*This device supports Bluetooth hands-free and headset profiles. In order for Bluetooth devices to communicate with one another, they must utilize the same Bluetooth profile. Certain Bluetooth features, including those listed, may not be supported by all compatible Bluetooth-enabled devices, and/or the functionality of such features may be limited in certain devices, or by certain wireless carriers. Contact your wireless carrier about feature availability and functionality, or visit www.motorola.com/bluetooth for more details.

**Talk time is phone dependent and varies with phone model. Longest talk time accurate at time of printing.
