HELLOMOTO™

THE YAPPING DOG

Conversation Stoppers are everywhere, ready to break up your call. Be prepared with the MOTO™ H270 headset. This hands-free headset allows you to move about freely, so you can carry on your conversation, no matter what's going on around you. Its snug fit and super-simple controls also make it a breeze to use.* CONVERSATION STOPPER #55 THE YAPPING DOG, you have been warned.

SUPREME COMFORT

You'll hardly realize you're wearing a headset. TrueComfort™ design helps the MOTO H270 conform to the shape of your ear with an ergonomic ear cushion for a superb fit. A discreet, flexible ear hook holds it securely in place.

SIMPLE OPERATION

A straightforward design makes the MOTO H270 simple to use. A dedicated on/off switch connects you with one touch, and the volume button is right at your fingertips. You don't have to be a techie to go wireless.

QUICK START

With exclusive EasyPair technology, initial setup couldn't be easier. Just turn the MOTO H270 headset on, and it will automatically start the connection with your compatible Bluetooth®-enabled phone.

UNIVERSAL COMPATIBILITY

We've tested the MOTO H270 to work with over 200 phone models from over 15 brands such as Motorola, Nokia, Samsung, Sony-Ericsson and LG.
