# MOTOROLA H520

UNIVERSAL BLUETOOTH® HEADSET

The MOTOROLA H520 Universal *Bluetooth* Headset delivers a hands-free experience that feels good and sounds great. Its on-ear wearing style and TrueComfort™ design put the speaker just outside your ear, so you don't have to put anything directly in your ear. Plus, with background noise reduction and echo cancellation, it makes sure your voice comes through loud and clear virtually anywhere. So you get the comfort and the sound quality you need.

### Choose your best fit

Wear the headset gently against your ear, or adjust your fit with multiple ear hooks and cushions included.

### No need to shout

1 mic echo cancellation and noise reduction, so your voice is always clear.

### In control

Volume, power, and call buttons put all your conversations at your fingertips.

All features, functionality and other product specifications are subject to change without notice or obligation.

\*This device supports *Bluetooth* hands-free and headset profiles. In order for *Bluetooth* devices to communicate with one another, they must utilize the same *Bluetooth* profile. Certain *Bluetooth* features, including those listed, may not be supported by all compatible *Bluetooth*-enabled devices, and/or the functionality of such features may be limited in certain devices, or by certain wireless carriers. Contact your wireless carrier about feature availability and functionality, or visit [www.motorola.com/bluetooth](http://www.motorola.com/bluetooth) for more details.

All talk and standby times are quoted in Digital Mode, and are approximate. Battery performance depends on network configuration, signal strength, operating temperature, features selected, and voice, data and other application usage patterns.
