MOTOROLA T215 BLUETOOTH® IN-CAR SPEAKERPHONE

HELLOMOTO®
motorola.com/T215

When you're on the road, you don't want anything to slow you down or hold you back. Especially not your technology. The MOTOROLA T215 *Bluetooth* In-Car Speakerphone, gives you everything you need in an in-car speakerphone...for up to 36 hours.

That's the longest talk time available for a portable speakerphone!

Loud & Clear

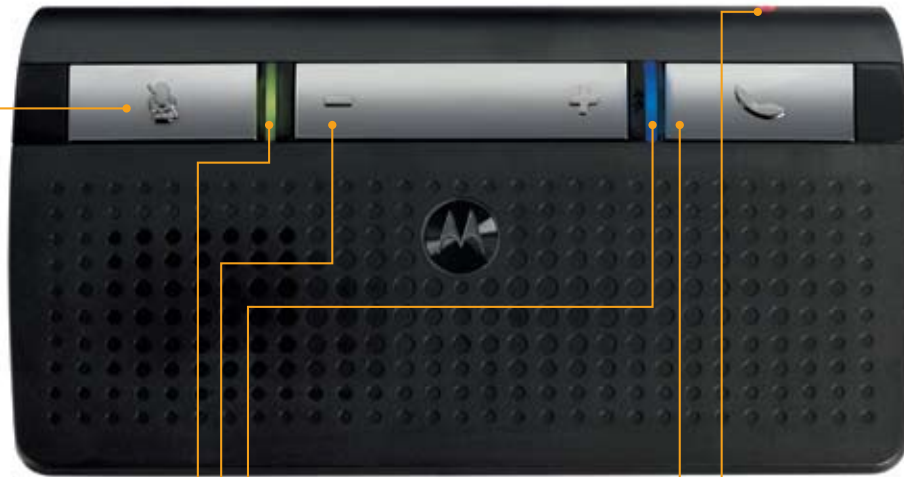

Road noise has no effect on your call. Conversations are heard with ease thanks to a powerful 2 watt speaker.

Let's just talk

With noise and echo reducing duplex technology plus a dedicated mute button, don't talk over each other, just talk to each other.

For all seasons

Designed to withstand the coldest winters and the hottest summers.

Additional Features

- Dedicated Mute Button allows you to silence any conversation.
- Battery Level Indicator shows you how much talk time is remaining.
- Volume Button helps you control the loudness of your conversation.

- *Bluetooth* Indicator shows when the device is connected to your phone.
- Call Button enables you to place calls easily.
- Wire Clip secures your speaker to any car's visor; no installation required.

- Red Microphone Light so you know where to speak.
- Power Switch lets you start and stop talking in an instant.
- MicroUSB Charging Port
